

# 2017 ANNUAL REPORT

Let the beauty you love be what you do. There are a thousand ways to kneel and kiss the ground.

*Rumi*

The poet's quote sums up our work for the last 20 years. We've been given the great gift of doing what we love – developing incarnational leaders.

We recognize that Incarnational ministry is about people, not numbers. However, as we enter our new fiscal year (July 1, 2017 – June 30, 2018), we want to count the ways that urban leaders have loved their cities into greatness in the past year, in a network of partnering organizations that represents more than 75 cities.

On behalf of our staff and those we serve I want to thank you for partnering with us as we kneel and kiss the ground of vulnerable urban communities with the love of Jesus.

Training Hubs trained urban leaders using our Incarnational Framework.

Senior Fellows from our network were added to our staff.

Trainers from 19 cities gathered in Tacoma for a week of training.

Leaders were trained with our Incarnational Framework.

Friends of our network engaged our weekly "Word From Below."
